Come be a pharmacist in Yuma, Arizona - where the sunshine never ends!

Experience the zest of the Southwest at Yuma Regional Medical Center (YRMC). Join our team at YRMC in Yuma, Arizona, which offers a friendly atmosphere with the latest medical trends and one of the most fully automated pharmacies in the nation. San Diego, Las Vegas, and Mexico are all within a day's journey.

Clinical Pharmacist

This position is responsible for the daily provision of pharmaceutical services to the patients of YRMC, including high quality patient care in our pharmacist-managed Anticoagulation Clinic. Other responsibilities are drug procurement, dispensing, monitoring, as well as the provision of drug information to the associated professional staff.

Our team of clinical pharmacists provides all aspects of pharmaceutical services to our patients in a progressive, technology-driven work environment. Technology includes McKesson Robot-RX, MedCarousel, Automated Cabinets, PDAs, and in process of implementing new Hospital Information system with Clinical Physician order entry. We have implemented significant technology to free pharmacists from much of the daily dispensing activities, allowing more time to be spent interacting in our patient care areas. Pharmacists working in this hybrid model of both centralized and decentralized locations collaborate with physicians, nurses and patients to assist in the overall provision of quality patient care.

Required Qualifications:

- Bachelor's Degree in Pharmacy
- Licensure/Registration with state of Arizona Pharmacy Degree or eligibility

We provide a generous benefits package, with very competitive compensation. We also offer up to \$10,000.00 in relocation and up to \$10,800.00 in tuition reimbursement.

YRMC offers excellent salary and benefits package. For more information, please contact us at 928-336-7224 or apply online at www.yumaregional.org.
