

Wexford Health  
Position – Director of Pharmacy  
Greentree, Pittsburgh

- Medicine in Corrections which means we are contracted out to run the medical unit in different prisons and jails all throughout the US. So we hire the entire medical unit from the Staff Assistants to the Medical Directors. We are looking for a Director of Pharmacy to be based out of our Greentree, Pittsburgh office to basically oversee the entire Pharmaceutical Department for the Company.
- Wexford Health is currently contracted out with over 50 Correctional Centers and have over 2000 employees in the field, and 80 people here in our Greentree office.
