Submit memo for approval on any changes to committee prior to a meeting or defense.
MS requires 3 committee members, the majority of whom must have regular graduate faculty membership.
PhD requires 5 committee members, the majority of whom must have regular graduate faculty membership.
Paper and Practicum committees require no less than 3 members, one of whom must be a regular graduate faculty member.
No more than one committee member can be a non-member, and the non-member cannot chair or advise.
