*** This program was presented in Martinsburg, WV on 4/10/2016, and Vienna, WV on 4/24/2016. If you attended one of these sessions, additional credit will not be awarded.*

Learning Objectives

Updates in Prescription Drug Diversion, Substance Use Disorders, and Pain Management (Knowledge-based)

- Discuss what comprises drug diversion, including West Virginia statistics on prescription drug abuse and resulting deaths.
- State the epidemiology of chronic pain and misuse of opioids.

- Describe the indicators for opioids in chronic pain treatment including general characteristics, toxicities, and drug interactions.
- Outline patient evaluation and risk assessment and tools to assess risk and monitor benefits.
- Explain the initiation and ongoing-management of chronic pain in patients treated with opioid based therapies.
- Discuss a case study of a patient with chronic pain.
- Identify diversion and drug seeking behaviors and tactics.
- State best practice methods for working with patients, prescribers, and law enforcement concerning patients suspected of drug seeking behavior and diversion.
- Give examples of compliance with controlled substances laws.
- Identify registration with and use of the West Virginia Controlled Substances Monitoring Program established in West Virginia Code 60 A-9-1.

Immunization Update 2016 (Application-based)

- Identify important recent changes to the immunization schedules for adults in the U.S from the CDC's Advisory Committee on Immunization Practices (ACIP).
- Discuss available selected vaccine products, side effects, effectiveness, selected vaccine products in the pipeline, and complete an overview of the 2015-2016 influenza season.
- Discuss vaccine administration techniques, storage, and vaccine error reporting.
- Apply the ACIP recommendations to patient cases and determine appropriate immunization recommendations for the patient.
- State the current West Virginia Board of Pharmacy rules, regulations, and updates pertaining to immunizing pharmacists and pharmacy interns.

Emergency Contraception – An Overview (Application-based)

- Discuss the WV FREE Emergency Contraception secret shop and findings.
- Define Emergency Contraception and identify different types of Emergency Contraception.
- Identify the myths and facts of Emergency Contraception.
- Discuss age requirements related to Emergency Contraception.
- Identify barriers and how to remove them related to the customer purchasing Emergency Contraception.
- Apply scenarios around different kinds of customers seeking to buy emergency contraception.

Continuing Education

West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (CPE). This activity is accredited up to a total of 6.0 contact hours, or 0.6 CEUs, for pharmacists. WVU SoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form for each session attended. If needed a statement of credit may be printed on-line at CPE Monitor or at <https://pharmacyce.wvu.edu/user/login>.
