Continuing Education Credit

West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity, ACPE UAN 0072-0000-15-049 to 052 is approved for up to 6.0 hours (0.6 ceu's) of continuing pharmacy education credit. WVU SoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet, and completing an online evaluation form for each activity attended. A CPE transcript may be printed from CPE Monitor. If needed, a statement of credit may be printed online at <https://pharmacyce.wvu.edu/user/login>.

4:00 – 4:15pm	Questions, Answers, and Adjournment

Learning Objectives

Grading and Evaluation in Advanced Pharmacy Practice Experiences (Knowledge-based)

- Identify the WVU policies for APPE evaluation and grading
- Define the procedures for providing formal evaluation at the midpoint and end of each APPE
- Describe standard evaluation forms for APPE
- Explain best practices in completing formal APPE evaluations
- Discuss resources available to preceptors when completing evaluations

Evidence-Based Medicine: Teaching Students to Interpret & Apply Study Findings to Practice (Knowledge-based)

- Describe “evidence based medicine” and its features and importance
- Discuss the meaning of several key concepts when evaluating published research studies (“primary evidence”)
- Describe how these concepts should be applied to practice (e.g., patient care, resolving problems)
- Discuss ways in which students can be helped to develop and practice these skills

Teaching Students to Utilize the Pharmacists' Patient Care Process (Application-based)

- Discuss the development of the Pharmacists' Patient Care Process
- Explain the components of the Pharmacists' Patient Care Process
- Apply the Pharmacists' Patient Care Process through case examples

We are Family! How to Embed Pharmacy Students into an Interdisciplinary Care Team (Knowledge-based)

- Describe the basic requirements of an acute care APPE rotation in Family Medicine
- Explain the preceptor's philosophical framework for teaching students in a team-based acute care environment
- Describe successful strategies employed to foster student participation as a team member
- Identify preceptor responsibilities for integrating pharmacy learners into outpatient care teams
- Describe attributes of environments ideal for pharmacy learner integration
- Discuss the roles and functions of pharmacy learners in outpatient care teams
