

OMCPA Spring Seminar
118 N. Lafayette Ave.
Moundsville, WV 26041

44th ANNUAL Ohio-Marshall County Pharmacists Association Spring Seminar

Sunday, March 18th, 2018
Wilson Lodge
Oglebay Park • Wheeling, WV

Presented by:
**The Ohio-Marshall County
Pharmacists Association**
In Cooperation With:
**West Virginia University
School of Pharmacy**

The West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). This activity is accredited up to a total of 6.0 contact hours or 0.60 CEU's of CPE credit for pharmacists. WVUSoP will report your participation in the program to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each activity. Successful completion includes attending the entire activity, signing the attendance sheet and completing an online evaluation form for each activity attended. Transcripts of CPE can be printed from NABP CPE Monitor. If needed, a statement of credit may be printed online at <https://pharmacyce.wvu.edu/user/login>.

Note: This activity is designed for pharmacists in all practice settings. The activities are focused on timely issues for pharmacy practice including updated information on diabetes therapy in cardiac disease; updates to HIV therapy guidelines; the use of medical cannabis and key components of the WV Medical Cannabis Act; and a discussion of community pharmacy priorities, issues, and potential federal solutions.

LEARNING OBJECTIVES

The Role of Incretins and SGLT-2 in Therapy of Cardiac Disease

UAN: 0072-9999-18-019-L01-P (Knowledge-based)

- Discuss diabetes and blood glucose values
- Describe the evidence for the use of incretin mimetics to treat patients with cardiac dysfunction
- Describe the role of incretins and SGLT-2 as a potential perioperative use for coronary artery bypass surgery and their potential use in the treatment of congestive heart failure
- Review the recent data regarding cardiovascular (CV) risk reduction and risk of adverse CV outcomes with incretin-based therapies with SGLT-2

Community Pharmacy: Priorities, Issues, and Potential Federal Solutions

UAN: 0072-9999-18-020-L04-P (Knowledge-based)

- Discuss 101-level overview of key prescription drug supply chain players and market dynamics
- State the top issues and priorities for community pharmacists
- Identify proposed federal solutions to constructively address challenges to pharmacy care
- Identify how community pharmacists can get involved individually and through their professional organizations to affect positive change

A Review of the West Virginia Medical Cannabis Act and Considerations for Practicing Pharmacists

UAN: 0072-9999-18-021-L03-P (Knowledge-based)

- Identify the key components of the West Virginia Medical Cannabis Act
- Discuss the role of the Medical Cannabis Advisory Board
- Discuss the data from a patient and physician interest survey on medical cannabis
- Discuss considerations for practicing pharmacists related to medical cannabis

HIV Treatment: What We Know in 2018

UAN: 0072-9999-18-022-L01-P (Knowledge-based)

- Describe the pathophysiology of HIV infection
- Discuss the new updates in the HIV Treatment Guidelines
- Identify the new medications for antiretroviral therapy
- Discuss cure strategies for HIV

ACTIVITY DESCRIPTION:

This activity is designed for pharmacists in all practice settings. The activities are focused on timely issues for pharmacy practice including updated information on diabetes therapy in cardiac disease; updates to HIV therapy guidelines; the use of medical cannabis and key components of the WV Medical Cannabis Act; and a discussion of community pharmacy priorities, issues, and potential federal solutions.

WHO MAY ATTEND

This CE activity is designed to provide 6 contact hours (0.6 CEU) for pharmacists only. Pharmacy technicians, nurse practitioners, physicians, nurses, allied health professionals, and pharmacy students are welcome to attend. Upon completion of the online non-pharmacist evaluation form, email the WVU School of Pharmacy CE Office at wwusopce@hsc.wvu.edu to request a statement of attendance. Remember, the continuing education credit is approved for pharmacists only.

DRUG COMPANY EXHIBITION

Prior to the seminar and during registration, representatives from the various drug companies sponsoring our seminar will have displays and will be available to talk to pharmacists about their products and services.

SCHOLARSHIP FUND

The Ohio-Marshall County Pharmacists Association has established a scholarship fund to aid pharmacy students at West Virginia University. Each year our Pharmacy Association sends a contribution to WVU to be administered by the School of Pharmacy. The scholarship award is then presented by our association at the WVU School of Pharmacy Honors Convocation in the spring. The scholarship is based on both academic and financial need. If you know of any pharmacy student at WVU who could benefit from this scholarship, have him/her contact the School of Pharmacy Dean's Office and ask about the Ohio-Marshall County Pharmacist Association Scholarship.
