LEARNING OBJECTIVES

Using the Pharmacists' Patient Care Process (PPCP) for Medication Therapy Management (MTM) (Application-based)

- Discuss the need for a consistent and systematic process for providing patient care.
- Compare current patient evaluation techniques utilized in participants' practice sites.
- List the components of each step of the Pharmacists' Patient Care Process (PPCP).
- Apply the steps of the PPCP to medication therapy management cases from a variety of pharmacy settings.

Ohio Pharmacy Law Updates: 2018 (Knowledge-based)

- Explain recent and upcoming law/rule changes which may apply to the pharmacy practice setting.
- Explain the upcoming licensing of pharmacy technicians and their job responsibilities in Ohio.
- Identify what to expect from a Board inspection.
- Explain the Can's and Cant's of a consult agreement.

Immunization Update: 2018 (Application-based)

- Identify the latest ACIP immunization recommendations and changes to the adult vaccination schedule.
- Provide guidance on the use of herpes zoster vaccines.
- Describe the use, dosing, and other factors related to the novel Hepatitis B vaccine.
- Outline areas of research regarding vaccine development and recommendations.

CONTINUING EDUCATION

West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). This activity is accredited up to a total of 6.0 contact hours, or 0.6 CEUs, for pharmacists. WVU SoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form for each session attended. Transcripts of CPE can be printed from NABP CPE Monitor. If needed, statements of credit may be printed at <https://pharmacyce.wvu.edu/user/login>.
