

Drug Diversion Seminar

Sunday, April 29th, 2018

Wilson Lodge in Oglebay Resort, Wheeling, WV

Meets the requirement for WV Drug Diversion CE

**Meets the requirement for
WV Drug Diversion CE**

The West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (CPE).

Trends in Prescription Drug Abuse and Diversion

Learning Objectives

- Discuss what comprises drug diversion, including West Virginia statistics on prescription drug abuse and resulting deaths.
- State the epidemiology of chronic pain and misuse of opioids.
- Describe the indicators for opioids in chronic pain treatment including general characteristics, toxicities and drug interactions.
- Outline patient evaluation and risk assessment and tools to assess risk and monitor benefits.
- Explain the initiation and ongoing management of chronic pain in patients treated with opioid-based therapies.
- Discuss a case study of a patient with chronic pain.
- Identify diversion and drug seeking behaviors and tactics.
- State best practice methods for working with patients, prescribers and law enforcement concerning patients suspected of drug seeking behavior and diversion.
- Give examples of compliance with controlled substances laws.
- Identify registration with and use of the West Virginia Controlled Substances Monitoring Program established in West Virginia Code 60 A91.
- Define Neonatal Abstinence Syndrome and contributory medications.
- Provide an overview of gabapentin and its contributions to the opioid epidemic.
- Outline the origin, distribution and impact of designer opioids on today's society.

This activity is accredited up to a total of 3.0 contact hours or 0.30 CEU's of CPE credit for pharmacists. WVUSoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each activity. Successful completion includes attending the entire activity, signing the attendance sheet and completing an online evaluation form. Transcripts of CPE can be printed from NABP CPE Monitor.

If needed, a statement of credit may be printed online at <https://pharmacyce.wvu.edu/user/login>.

*** This session was originally presented in Martinsburg, WV on April 8, 2018. If you attended this activity, additional credit will not be awarded.**
