CONTINUING EDUCATION

West Virginia University School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is accredited up to a total of 6.0 contact hours or 0.6 CEUs for pharmacists. West Virginia University School of Pharmacy will report your participation in the activity to NABP Continuing Pharmacy Education (CPE) Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form for each session attended. Transcripts of CPE can be printed from NABP CPE Monitor. If needed, statements of attendance may be printed at <https://pharmacyce.wvu.edu/user/login>.

LEARNING OBJECTIVES

2024 Immunization Updates (Knowledge-Based)

- Describe changes to Advisory Committee on Immunization Practices (ACIP) recommendations.
- Discuss recently approved immunizations and role within ACIP guidelines.
- Identify tools used to assist with patient assessment.
- Discuss methods to improve immunization utilization in the pharmacy setting.

The Current State of Attention-Deficit/Hyperactivity Disorder (ADHD) in West Virginia (Knowledge-Based)

- Describe prescription stimulant prescribing trends in West Virginia.
- Describe the disparities of care for ADHD in West Virginia.
- Summarize West Virginia's efforts to increase clinician education regarding the evaluation, diagnosis and treatment of ADHD.
- Explain available guidelines and resources available for West Virginia clinicians and those involved in the care of patients with ADHD.

WV ACC Guidelines Treatment Recommendations for Attention-Deficit/Hyperactivity Disorder (ADHD) by Age Group (Knowledge-Based)

- Summarize the nonpharmacological behavioral interventions for ADHD, detailing their role and effectiveness in each age group, and describe the specific nature of these interventions.
- Explain the pharmacological treatment options for ADHD across different age groups, including the use of stimulants and non-stimulants, and discuss the considerations for contraindications and precautions.
- Outline the importance and impact of educational interventions in managing ADHD, emphasizing how these strategies vary by age and developmental stage.
- Discuss the role and implications of off-label medications in ADHD treatment.
- Identify best practices for monitoring and follow-up in ADHD patients, highlighting how these practices should be adapted for different age groups and treatment strategies.

LEARNING OBJECTIVES (con't.)

Some Things Change, Some Stay the Same: Law Update 2024 (Knowledge-Based)

- Explain new WV Board of Pharmacy Rules that have recently become effective.
- Discuss laws impacting pharmacy practice that have recently passed in WV.
- Identify pharmacy resources and responsibilities related to the Drug Supply Chain Securities Act (DSCSA).
- Discuss recent notices issued from the Drug Enforcement Administration (DEA) and how they impact pharmacy practice.
