LEARNING OBJECTIVES

At the conclusion of the activity, the participants will be able to:

Pharmacy Law for 2021: What Do I Need to Know? (Knowledge-based)

- Identify federal pharmacy law being implemented and under discussion in the current Congress.
- Discuss recent changes and implementation from the 2021 Session.
- Identify practice changes for immunizations, contraception, and provider status in WV.

Unseen Due to Quarantine and COVID-19: Top Infectious Diseases Updates Missed in 2020 Due to the Pandemic (Knowledge-Based)

- Identify the impact of the COVID-19 pandemic on other infectious diseases in West Virginia.
- Discuss common outpatient infectious diseases treatment/guideline updates.
- Discuss common inpatient infectious diseases treatment/guideline updates.
- Review newly approved antibiotics.
- Review newly approved antivirals.
- Describe how to implement new infectious diseases literature into practice, focusing on antimicrobial stewardship.

/ FACULTY DISCLOSURE

The faculty have nothing to disclose concerning possible financial or personal relationships with commercial entities that may have a direct or indirect interest in the subject matter of this presentation.

/ REGISTRATION

Attendance is limited to the first **97** registrants. **If you plan to attend CE activities on multiple dates, you must individually register and pay for each date you wish to attend. Please do not pay for multiple dates under one registration. Registration and payment are required for CE credit.**

Successful registration will result in a confirmation email. If you do not receive a confirmation email, the activity reached the maximum number of registrants, and you will need to register for a different activity. Registration fee includes continuing education. For registration and payment go to <https://pharmacy.hsc.wvu.edu/continuing-education/> and click on Live Activities.

REGISTRATION FEE: \$60

Information to join the webinar will be E-MAILED two (2) days before the activity. Please update your online account with your most current email address to facilitate this process. The Office of CE reserves the right to cancel the activities due to low registration. If canceled, registrants will be contacted via phone or email.

Please contact **Michael Kurilla, MEd**, CE Program Specialist, at mpkurilla@hsc.wvu.edu or **Dr. Ginger Scott PhD, RPh**, CE Director, at vscott@hsc.wvu.edu or call 304-293-5103 or 304-293-1553 with questions.

OBTAINING CONTINUING EDUCATION CREDIT

At the completion of the webinars, you will be provided with an access code to complete the post-test and evaluation. A minimum score of 70% is required to pass the post-test. One retake of the post-test is permitted. Follow <https://pharmacyce.wvu.edu/user/login> to the WVU School of Pharmacy Office of Continuing Education Learning Management System to log in and complete the post-test and evaluation. If you do not have an existing account, instructions for creating an account can be found at: <http://pharmacy.hsc.wvu.edu/continuing-education/learning-management-system-access-instructions/>.

ACCREDITATION

The West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. WVUSoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each activity. Successful completion includes attending the entire activity and completing an online exam and evaluation form. Transcripts of CPE can be printed from NABP CPE Monitor and/or statement of attendance from pharmacyce.wvu.edu/user/login.

CONFIDENTIALITY NOTICE

The content of these activities, including any attachments, is for the sole use of the participants of this activity. Any unauthorized use in whole or part, disclosure, or distribution of the content by anyone is prohibited without prior permission in writing from the faculty or WVU School of Pharmacy CE Office.
