MATTHEW L. BLOMMEL, PHARMD, BCPS

Director, West Virginia Center for Drug and Health Information
Clinical Associate Professor
West Virginia University School of Pharmacy
Morgantown, WV

ACTIVITY DESCRIPTION

This knowledge-based live webinar activity designed for pharmacists will focus on an update of newly approved medications. This activity (ACPE UAN 0072-0000-21-019-L01-P) is accredited for 2 contact hours (0.2 CEUs). Attendance is limited to the first **97** registrants.

LEARNING OBJECTIVES

At the conclusion of the activity, the participants will be able to:

- Discuss the indications, common adverse effects, and key counseling/monitoring issues of newly approved medications.
- Outline the approved dosing guidelines and any recommended dosage adjustments for the medications reviewed.
- Describe clinically important interactions associated with these new medications.
- Discuss available evidence supporting the medication's approval and potential roles in therapy.
- Discuss the efficacy/safety and cost of the medications reviewed related to existing agents.
