CONTINUING EDUCATION

West Virginia University School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is accredited up to a total of 6.0 contact hours or 0.6 CEUs for pharmacists. WVU SoP will report your participation in the activity to NABP Continuing Pharmacy Education (CPE) Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form for each session attended. Transcripts of CPE can be printed from NABP CPE Monitor. If needed, statements of attendance may be printed at <https://pharmacyce.wvu.edu/user/login>.

LEARNING OBJECTIVES

A Fresh Breath: Updates on Asthma and Chronic Obstructive Lung Disease (Knowledge-Based)

- Review classification of asthma and chronic obstructive lung disease (COPD).
- Summarize evidence for current guideline recommended therapeutic options for asthma and COPD.
- Review key considerations for selecting inhaled therapy delivery devices.

Guardians of Wellness: Unveiling Patient Safety Secrets (Knowledge-Based)

- Determine the differences of micro and macro safety from one another.
- Recognize the various types of medication errors based on the corresponding ISMP key element.
- Identify a medication error through the various aspects of system breakdowns.
- Define basic error prevention strategies.
- Recall the medication error reporting approach of Just Culture.
- Recognize the signs of Second Victim Syndrome and identify how to best aid other healthcare workers.

New Drugs Approved in 2023 (Knowledge-Based)

- Outline landscapes and statistics of new drugs approved in 2023.
- Describe specific oral, injectables and other formulation drugs approved in the community setting.
- Outline indications, dosing, and common adverse effects of newly approved medications.
- Discuss pertinent clinical considerations of new drugs approved.

Boost Your Vaccine Knowledge – 2024 Updates (Application Based)

- Discuss updated ACIP recommendations for vaccines, including COVID and RSV.
- Review immunization technique and considerations for pediatric patients.
- Apply adult and pediatric immunization recommendations to patient cases.
- Discuss legislative changes to immunization requirements in WV.
